10 P.M.

Dear John K —

The CHS&M meeting began promptly at 7:30 P.M. and ended after 10 P.M. There were about 30 items on the agenda -- I will send you a copy of RGT's minutes of the meeting. I never made it to your mother's, so your report(s) were not presented at this meeting.

You were nominated to the Board of Directors. Election will be in November. Are you willing to serve as a member of the Board?

Mr. Mayn has cooled down. He asked <sup>recently</sup> Sue Stephens if I was mad at her (C.M.). Sue Stephens answered <sup>correctly</sup>: "No, Robert's not mad at you, but he thinks you're mad at the Historical Society." C.M.: "Not at all. I'm not mad at Robert and the Historical Society." I will go and have a friendly chat with C.M. tomorrow.

A Carbondale youth -- Aaron Moran -- trampled <sup>on</sup> of the flower boxes in the Park. Big Rita saw him do it. I am trying to get the police involved. The Northeastern Bank has purchased/rented a flower box & it is placed in front of the bank.

Jean and I have located one of the two fountains that used to be in Memorial Park and have obtained, at no charge, said fountain.

The "Palazzo Gondolfi" has been painted -- grayish green. It now blends in very well with its sylvan setting.

On Friday I got my professional Certificate from Harrisburg & will register on the substitute list this week at CHS, Forest City H.S., Lateland and Mountain View.

Hank Loftis nominated Sue Stephens to the CHS&M board!! Heaven help us.

The other morning it was 45° Fahrenheit in Elkdale Hall. That day I bought an oil-filled electric radiator.

Regards — SRP

Walsh told me that I would have to get a Pennsylvania Certificate -- no exceptions were made for any reason, said he. Very friendly and cordial. I received a phone call from Walsh and he advised me and handed me back my "application." I took no action on getting a Pennsylvania Certificate until the Summer of 1984 -- when I submitted an application to the Bureau of Certification (see following pages).
